Wake up to plump, well-hydrated skin

1. Intensive infusion sheet mask

Impregnated with the equivalent of half a bottle*2 of beauty essence, the mask clings to your skin.

The infusion of moisture penetrates throughout your skin*3, leaving it lusciously plumped.

2. Overnight treatment emulsion pack

Even once you have peeled off the mask, your skin is wrapped in an invisible face pack filled with moisturizing ingredients. This face pack delivers moisture to your skin while you sleep, so you wake up to plump, well-hydrated skin.
