Hand Treatment

Brightening your hands
like lustrous pearls.

Everyday aging care^{*1} creates hands with abundant elasticity and radiance^{*2}.

This hand treatment amply replenishes the hydration in hands, where signs of age and damage from dryness are prone to become apparent.

With a pleasant texture that quickly melts into your skin, this treatment promotes skin brimming with supple elasticity and radiance^{*2}.

*1 Age-appropriate care *2 By means of hydration

Locks in moisture, for lusciously hydrated skin.

〔Protect Veil〕

A unique formula whose ingredients include Pearl Conchiolin^{*1} and LP Protect^{*2}. It forms a veil on the surface of your skin, locking in luscious hydration.

This approach taps into your skin's innate power.

〔Retinol derivatives^{*3}〕

Add firmness and elasticity, leaving skin looking plump.
